North South Consultants Exchange
Professionals in Sustainable Development

North South Consultants Exchange is searching for:

GENDER EXPERT - AGRICULTURE/RURAL DEVELOPMENT (Egypt-based)

Location: Egypt
Residency: Must be currently residing in **Egypt** with the ability to travel domestically for fieldwork if required.
Contract Type: Project-based / Consultancy

SHORT DESCRIPTION

Recruitment of Gender Expert to conduct gender analysis and gender mainstreaming research in the field of agriculture, rural development, climate change and biodiversity to identify women-led nature-based solutions and ecosystem-based adaptation practices based on desk review and fieldwork data.

KEYWORDS

Gender Analysis | Agriculture | Rural Development | Ecosystem Based Adaptation | Climate Resilience

QUALIFICATIONS

- Education/training: Advanced **university degrees** (master's or equivalent) in **Gender and Development studies**, Rural Development, Agricultural Economics, Social Sciences, or another field relevant to the assignment.
- Language: Working knowledge of **English** and **Arabic**
- General professional experience: A minimum of five **(5) years** of relevant professional experience in **gender analysis and gender mainstreaming in agriculture, rural development, climate change, biodiversity, livelihoods** or a directly related field.
- Specific professional experience:
  - Demonstrated experience in at least two relevant assignments involving gender analysis, gender-responsive research/programming in agriculture or community-based development.
  - Demonstrated ability to analyze gender dimensions of access to and control over resources and benefits, division of labor, decision-making, agency, social norms and institutional barriers
  - Experience translating gender analysis into practical programme, policy or project-design recommendations.

APPLICATION GUIDELINES

If you meet the above criteria and are passionate about delivering high-impact qualitative research, please send your CV by email.

Please note that while candidates with more extensive backgrounds are welcome to apply, the compensation for this position is aligned with the five-year experience benchmark

Email Subject Line: GENDER EXPERT/AGRICULTURE - [*your name*]
